

Marine Industry Careers at the Boat Show

Sydney International Boat Show 2017
The new ICC Sydney in Darling Harbour
Thursday 3 August and Friday 4 August

You and your students are invited to take part in the Marine Industry Careers Activity at the Sydney International Boat Show 2017, which this year will be held at the brand new ICC building in Darling Harbour.

The Boating Industry Association and Marine Teachers' Association have worked closely to devise an activity day that allows flexibility in when you visit, and which also engages the students and encourages them to look beyond the boats and think about the types of careers that are on display at the Boat Show.

How it works:

1. Complete the registration form and return by: email - corrina@bia.org.au or fax 94393983 or post FAO Corrina McMillan, Boating Industry Association, PO Box 1204, Crows Nest NSW 1585. Please return no later than 28 July.
2. Once you've worked out who is coming, get your students to sort themselves into teams of 4 or 5.
3. When signing in on the day, each team will be given an activity sheet which they must complete during their time at the Show.
4. Once they have completed the activity sheets, collect them from your students. Once you have them all, hand them into the Education Stand (Marine Teachers' Association) in the Boating Safety Zone.

Just a few notes:

Entrance to the Show is free, providing all completed activity sheets are handed into the Education Stand before you leave. However, your school will be charged the normal student entry fee of \$11 per student if the activity sheets are spoiled, incomplete, blank, or if any are missing.

If you have any questions about the Careers Activity, please call (02) 9438 2077 or email me at corrina@bia.org.au.

I look forward to hearing from you soon.

Kind regards,

Corrina McMillan
Education & Training Coordinator
Boating Industry Association
